

A vibrant, hand-drawn illustration on a black background. The word "math" is written in a red, cursive font inside a white oval with a red border. Surrounding the oval are various mathematical symbols and concepts: a pi symbol (π), an infinity symbol (∞), a plus sign (+), a minus sign (-), a multiplication sign (x), a division sign ($\div$), a summation symbol (Σ), a bar chart with three bars of increasing height labeled 1, 2, and 3, a percentage sign (100%), a fraction (1/4), and a lightning bolt symbol. The overall style is playful and educational.

Il laboratorio si svolge online sulla piattaforma streaming di CUBO.
